Disclaimer

This presentation contains "forward-looking statements", as the phrase is defined in Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934. These statements relate to the Company's strategy, development plans and anticipated performance. The forward-looking statements are based on management's best assessment of the Company's strategic and financial position, and future market conditions and trends. These discussions involve risks and uncertainties. The actual outcome may differ materially from these statements as a result of continued volatility in the economies in the markets in which the Company operates, unforeseen developments from competition, governmental regulation of the telecommunications industries and general political uncertainties in the markets in which the Company operates and/or litigation with third parties. The actual outcome may also differ materially if the Company is unable to obtain all necessary corporate approvals relating to its business, if the Company is unable to successfully integrate newly-acquired businesses and other factors. There can be no assurance that these risks and uncertainties will not have a material adverse effect on the Company, that the Company will be able to grow or that it will be successful in executing its strategy and development plans. Certain factors that could cause actual results to differ materially from those discussed in any forward-looking statements include the risk factors described in the Company's registration statement on Form F-4 filed with the U.S. Securities and Exchange Commission (the "SEC"), the Company's proxy statement furnished to the SEC on Form 6-K on February 15, 2011, OJSC VimpelCom's public filings with the SEC, including its Annual Report on Form 20-F for the year ended December 31, 2009, and other public filings made by the Company with the SEC, which risk factors are incorporated herein by reference. VimpelCom disclaims any obligation to update developments of these risk factors or to announce publicly any revision to any of the forward-looking statements contained herein, or to make corrections to reflect future events or developments.
